

For those of you who may not know, Rescue Ink is coming to Forrest City on June 22,23,and 24. They are coming to help and educate. Mark Bieber has set up a public education program for them to speak on that Tues, the 22nd at 7:00 at the Multi-Purpose Center. They will be at the shelter to educate us on animal behavior, cleaning and any maintainence we may need on the building.

Walgreens is having a rummage sale on June 26th and are donating all proceeds to us. We will take a few dogs out there available for adoption as well. I will send out an email later to see who can help with that. It will be very hot, so we do not want to be out there too long with dogs.

I have sent a letter to the editor this morning addressing the current situation at the shelter. Its very brief, but just to let the public know how we stand etc. I asked for it to be in tonights paper. Hopefully it will be.

I have had a few complaints from some of the members about some things they have seen at the shelter that shouldn't be happening. I will pass it along to Dwight. Please pass along anything to me that you think Dwight should know about. He asked me to do this and I most certainly will :)

We had several dogs and puppies leave this past weekend to Kentucky and Ohio. Kudos to Alyssa and Ruth Ann. I heard I should NOT have picked this past weekend to be out of town. Sorry guys. Yeah I know all about pay backs, and they are coming my way, I'm sure
