

## GRANT APPLICATION AND CONTRACT

### Instructions:

- Complete one form for each animal and mail to P.O. Box 2091, Forrest City, AR 72336.
- If you are approved for a grant you will receive additional information and a purchase order number in the mail.
- After receiving the reply, you will make an appointment with Dr. Gehring in Forrest City to have your animal sterilized at (870) 633-5931. Please make sure you keep the appointment scheduled, as we want to respect Dr. Gehring's time and cooperation in the Spay/Neuter Grant Program.
- You are responsible for the cost of Rabies and Bordetella vaccines for dogs or Rabies and Distemper vaccines for cats. These are required for an overnight stay unless you can provide proof that your animal is up-to-date on these vaccines. Costs for vaccination is approximately \$40 per animal.
- Grants are for residents of St. Francis County, Arkansas.
- Forrest City Area Humane Society retains the right to refuse any application for any reason.
